

# CONTACTLESS COFFEE

## HOW TO SAFELY ACCEPT REUSABLE CUPS AND CONTAINERS

# 1

### PLACE CUP

Customer places reusable cup, **lid off**, on counter. (You can use a Refill sticker to mark the spot).

### MAKE COFFEE

Barista makes coffee/pours hot water for tea into a normal crockery cup or espresso shot glass and steams the milk as required.

# 2

# 3

### POUR COFFEE

Without touching the customer's reusable cup, barista pours the coffee/hot water and milk into the customer's cup.

### ENJOY COFFEE

Customer picks up their coffee cup, places the lid back on themselves and enjoys their hot drink.

# 4

Visit the City to Sea website for guidance and support on safely accepting reusables and reducing single-use plastic in your business.
